Hon. Commissioner for Patents

PETITION TO REVIVE UNDER 37 C.F.R. §1.137(b)

Sir:

A *Notice to File Missing Parts of Non-Provisional Application* for the above-identified application issued on September 25, 2000, setting a shortened statutory period of two (2) months for filing the missing parts, namely the signed declaration and the English translation. Response was, therefore, due on November 25, 2000. Applicants filed the executed declaration on October 16, 2000, however, applicants did not submit the English translation with the required fee.

Applicants intended to further prosecute the application. The entire delay in prosecution was unintentional.
